

## Joint Regulatory Risk Assessors Summit Advancing Safety & Sustainability Assessments of Advanced Materials

### 19<sup>th</sup> June 2025

Time	Topic
<b>09:00 – 10:30</b>	<b>Session I: Introduction and setting the scene</b>
	Welcome by the OECD and the projects
	Keynote
	Panel Discussion
10:30 – 11:00	<i>Coffee break</i>
<b>11:00 – 12:30</b>	<b>Session II: Characterisation of advanced materials (in test systems and complex matrices)</b>
	Presentations
	Discussion
	Poster pitches
12:30 – 13:30	<i>Lunch break &amp; Poster Session</i>
<b>13:30 – 15:00</b>	<b>Session III: Human health models to predict the safety of advanced materials</b>
	Presentations
	Discussion
	Poster pitches
15:00 – 15:30	<i>Coffee break &amp; Poster Session</i>
<b>15:30 – 17:00</b>	<b>Session IV: Ecotoxicity, release, fate and environmental testing of advanced materials</b>
	Presentations
	Discussion
	Poster pitches
<b>17:00 – 18:00</b>	<b>Session V: Poster Session</b>
<b>18:00 – 20:00</b>	<b>Cocktails</b>

### 20<sup>th</sup> June 2025

Time	Topic
<b>09:00 – 10:30</b>	<b>Session VI: Challenges and solutions in testing industrial relevant samples along the material lifecycle</b>
	Presentations
	Discussion
<b>10:30 – 13:00</b>	<b>Session VII: Informed recommendations on needs for Test Guideline &amp; standard developments</b>
	Presentation
11:00 – 11:30	<i>Coffee break &amp; Poster Session</i>
	Breakout Group Discussions
13:00 – 14:00	<i>Lunch break &amp; Poster Session</i>
	Panel discussion with the rapporteurs from the breakout groups
<b>15:00 – 15:30</b>	<b>Session VIII: Way forward and closing of the meeting</b>
